CU @ THE 2019 ANNUAL MEETING

Calling all members! You're invited to KLEFCU's 2019 Annual Meeting. At the Credit Union, you're not a customer: You're a member/owner. This is your chance to find out what KLEFCU achieved in 2018 and what's on tap for the future. You can meet your volunteer Board of Directors and Committee Members, learn election results, and visit with your fellow members. Attending the Annual Meeting is one of the best ways to learn more about what the credit union has to offer and help us do an even better job to meet your financial needs. We look forward to seeing you there.

YOUR CREDIT UNION IS PART OF THE CO-OP ATM NETWORK AND SHARED BRANCHING

CO-OP ATM Network and CO-OP Shared Branch were created by

credit unions that have joined forces to give their members the kind of financial convenience traditionally available only from big banks. All with the savings and personal service you expect from credit unions.

CO-OP also offers ATMs at a variety of places you may commonly shop, such as Costco®, Walgreens and 7-Eleven®. As well as full-service interaction through shared branching, for those times when your transactions require more than an ATM. It's easy to find the nearest location. CO-OP locator tools include smartphone apps, text, GPS download and a toll-free number. And again, all this convenience comes with no surcharge fees from either network. It's one more way KLEFCU membership helps keep more money in your pocket. For more info, apps, and locator tools, visit: co-opcreditunions.org.
